Dear Sir;  
I have a friend in Uxbridge  
who belongs to the Genealogical  
Society. In looking through some  
of her papers I found your name  
in connection with research of  
the Bay of Quinte region B-1330.

I am researching the BLACK  
family tree - The enclosed will  
show where the parts are  
missing - any information I could  
find about these would be  
gratefully received -

I have written to many  
people and places and so far  
cannot get the pieces of the

puzzle to fit together - especially  
about the Vader end of it.

This is our summer address -  
Our home address is

Dear Mr. Burlingame -

I am referred to you by our mutual friend Allan Cohen, so that I can get in touch with you regarding the O.E.S. Association (Quinté) which I told in ~~advance~~. I am interested to know how + if I <sup>may</sup> become a member, and to request that you send me the necessary information toward that end. I was born on Ferguson Street in Pictou and spent much of my early life on the Bay of Quinté.

I feel sure you have a dossier on the Denike family, (Hennicke or Ten Eyck), of which my late mother Catherine Elizabeth was a member. Her father was John Morrison, brother of North Maryborough + Pictou, who I believe to be a direct descendant of Andrew, whose home stands on Kingston between Gore + Union Streets, built about 1840. He remained a land grant in 1808.

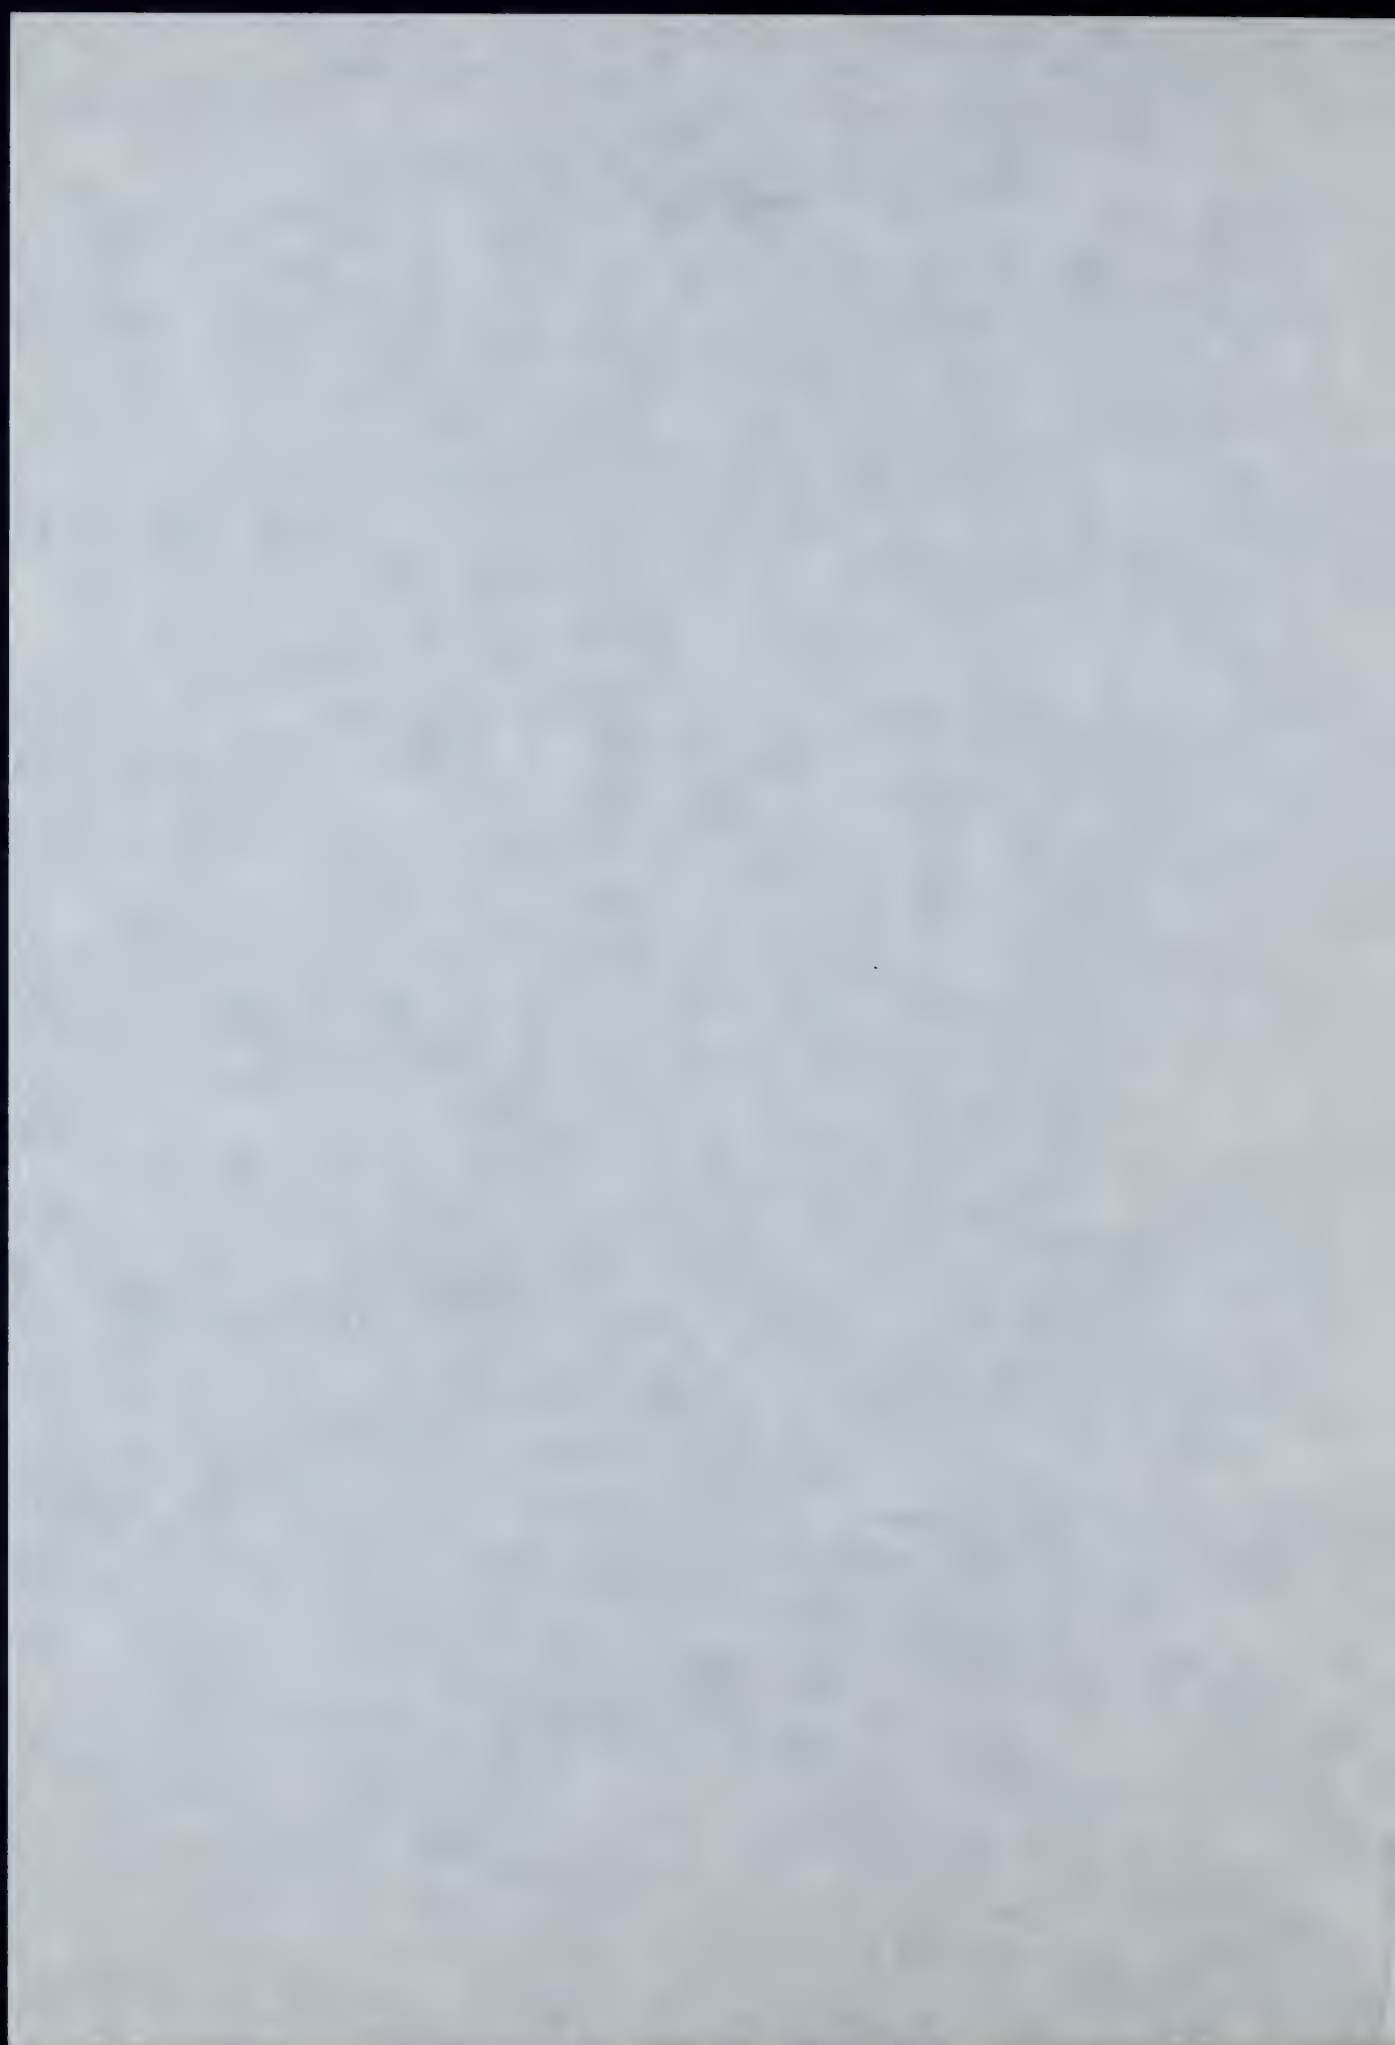

If you find that I am qualified, I would deem it an honour to receive membership in your Association. Incidentally my Aunt Helen still resides on Ferguson Street in Pictou, and may well be the last surviving Hennicke (born) in the County.

I shall be happy to hear from you at your convenience.

Yours

Claude Root
